a little bit better

The London Governance & Compliance Academy (LGCA) is a leading provider of executive education training and certifications for the governance, compliance, and risk (GRC) sectors.

As part of the European Institute of Management & Finance (EIMF), LGCA offers more than 300 courses and certifications in subjects such as compliance, risk management, corporate governance, accounting, AML, KYC/CDD, banking, digital marketing, project management, soft skills and beyond.

Plenty of training solutions at your doorstep

Financial & GRC Training

Take your pick between fully customisable in-house training, live online offerings, and self-paced e-learning courses in compliance, corporate governance, risk, accounting, AML, KYC/CDD and more.

Whether you work remotely or from the comfort of your office, LGCA has an affordable learning solution for you.

Leadership, Management & Productivity

Benefit from a complete range of in-house, online, and micro-learning courses on leadership, management, and productivity issues such as sales, marketing, entrepreneurship, project management, human resources, and customer service.

AccountingWise®

Access self-paced online courses to prepare you to sit the exams for the certifications offered by the world's leading accountancy bodies: ACCA, CIMA and AAT.

Free Branded Learning Management System (LMS)

Set up your company's own training and certification program and keep track of your team's progress with LGCA's free and fully branded LMS.

Add more than 300+ courses, certifications, and opportunities to earn CPD credits to your own LMS. Offerings include FCA and ESMA libraries, global qualifications delivered by internationally recognised organisations like CISI and IGCA, and bite-sized soft skills courses.

Bespoke In-House Training

Attend tailor-made and flexible courses designed to cater to your company's needs and objectives. LGCA's large roster of educators can deliver training sessions that meet your exact specifications.

24/7 Customer Support

Gain a dedicated account manager for your LMS and get your questions answered 24 hours a day, seven days a week.
